科目の概要	This course will help students build confidence with basic grammar structure, sentence structure, paragraph development and reading comprehension. Course activities are designed to encourage students to think critically and express ideas. Instruction will assist students to formulate their ideas in writing. Also, basic vocabulary acquisition will allow students to express themselves in both communicative and written method. Through reading, students will learn to draw conclusions from the text and answer comprehensive questions based on what they have read.				
授業の目標	The objectives of this course will be to further enable students to comprehend dialogues and stories from readings and to answer and make questions. Also, they will be expected to understand the topics and main ideas of the readings, skim and scan the texts and to further understand the main topics and edit basic sentential grammar in student writing, support their writing with reasons, and to write and re-write paragraphs with topic sentences and supporting sentences in their paragraphs.				
時間外学習 （予習・復習）	Students will receive 20 or more hours of homework set for each week for both group and individual assignments included each semester. Students will also type approximately 10 writing papers per semester or 20 per year. Moreover, 10 book reports for graded readers will be almost on a weekly basis.
